## FAMILY SPONSORSHIP

**Family Sponsorship** is a wonderful opportunity for families, Sunday School groups, churches, businesses, neighborhoods and individuals to help relieve the holiday financial pressures for families in need.

**Sponsoring a family** involves purchasing new gifts for each child in the family and an optional household gift the whole family can enjoy. Sponsors receive a letter and information about the children and their wishes. With this information, Sponsors can purchase items or gift cards of their choosing. **To help you determine what size family to sponsor, we estimate that the cost would be at least \$75-\$100 per child.** However, as the sponsor, you should spend what you feel comfortable spending per child. Estimated cost should be used to decide how large a family to sponsor. **Gifts are delivered to our *Holiday Distribution Site* and picked up by the families on a later date.**
